## Products and Services

H3R Human Resources Services is proud to offer our clients a wide selection of high quality products and services. Please visit our website regularly as we are continually adding new HR and people-management products.

### HR Consulting and Outsourcing

As a small or medium-sized business, not-for-profit or association, H3R will support your HR needs. H3R services include full outsourcing of strategic and day-to-day HR as well as project based work in organizational assessment and design, employee relations, compensation plan design, employee feedback, policy development, recruitment, training delivery and investigations.

### Member Benefit / Group Programs

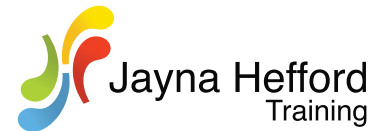

H3R, in conjunction with a number of partners and associates, provides a dynamic member benefits program offering products and services across the full spectrum of human resources at preferred rates. Programs can be customized to suit the needs of any member group, including associations and franchises.
