## Assessments and Profiles

Through H3R's partnership with Lake McLean Inc., we bring you a suite of what we feel to be the most effective, accurate and easy to use assessment products on the market. Affordable and flexible programs are available to provide you individual assessments as required or even certify your internal staff to make higher volume requirements more streamlined and cost-effective. Web-based, administration free and quick and easy for candidates to complete and hiring managers to interpret make these assessments a highly valuable part of your recruitment and development programs.

As highly experienced Assessment and Human Resources professionals, we align and integrate assessment tools into:

- Job and Talent Benchmarking
- Candidate Selection
- Performance Management
- Employee and Team Development
- Organizational Competency Models
- Employee Coaching
- Succession Planning

Through our broad range of diagnostics and consulting services, H3R assists you to develop and implement human resources and people management practices that enable employees to perform to their maximum capability and reach their full potential.
