## H3R Small Business Health Check

*An assessment of human resources and people-management practices*

Recent surveys of small and medium-sized organizations have shown that while very high percentages of business owners say people-related issues are of significant importance to the growth of their business, just slightly below taxes and financial issues, only a very small number of them have sought assistance in addressing this critical area.

**Make your people and people-management practices a differentiator as an employer and a competitive advantage in the marketplace.**

**Sign up for the H3R Small Business Health Check today!**

H3R will spend a half-day on-site with you and your employees and perform an assessment of your organization's practices related to human resources and people-management. One week later, we will return to deliver and present our assessment and recommendations report.

### Covered in the assessment are:

- ✓ Organizational Design / Structure
- ✓ Employee Performance Management
- ✓ Compensation & Benefits
- ✓ HR Policies and Compliance
- ✓ Recruitment & Selection
- ✓ Managing HR @
- ✓ Specific areas of concern you request to be reviewed.

The Report not only contains our Findings and Recommendations on how to leverage strengths and address areas of concern, but also general information about best practices in each of these areas to provide guidance as you lead your organization forward.

## Special Offer

**Invest just \$499\* in your business and people to see significant ROI.**
